

CROSSFIRE

sh2 SUPERSWEET BICOLOUR PROCESSOR

Crossfire: is a main season sh2 bicolour supersweet, with excellent colour contrast on a long cylindrical cob. Cooked presentation and eating quality are excellent.

- **Field Performance:** Main season maturity, with good vigor and high yields. An excellent all season main crop variety. With excellent field holding ability giving a wide harvest window.
- **Processing Performance;** Suitable for cut kernel, frozen, canned or whole cob. Cooked colour contrast is good. Produces a medium petite kernel with excellent flavour. Exceptional length and uniform cylinder runs through plants well.
- **Management Points:** Very good yield under main season conditions. Holds well in field, with excellent post harvest holding. Widely adapted. Good stalk strength.
- **Maturity Slot:** Main season variety. Where size, quality and yield are desired.
