

TECHNICAL SHEET

GRAIN SORGHUM – ENFORCER

ENFORCER – THE EXTREME YIELDER – YIELD RECORD BREAKER

The highest yielding sorghum hybrid available on the market, Enforcer is a medium maturity hybrid that will suit all high input sites, with full moisture profiles. It is an excellent choice for Irrigation and the early plant under cool conditions.

WHO SHOULD GROW ENFORCER ?

Any growers chasing high yields. Enforcer is for good farmers, with good paddocks and a full moisture profile. It is an excellent choice for the early plant, and should be first pick for favourable sites.

- Massive yield potential – for consistent, high paddock averages
- **For good farmers, good paddocks, good growing conditions**
- Yield Record Breaker on many farms
- First choice for irrigation
- Ideal for the early plant and cold start
- Midge tested rating of 6
- Medium maturity
- Bronze grain
- Excellent pollen producer to combat ergot risk

MATURITY:	MEDIUM	TILLERING ABILITY:	MEDIUM-HIGH
HEAD TYPE:	OPEN	MIDGE RATING:	MT 6
GRAIN COLOUR:	BRONZE	STANDABILITY:	GOOD ***
POLLEN PRODUCTION	EXCELLENT	O.P.REACTION:	RATING 1 SLIGHT
YIELD TARGETS:	5T/Ha TO 12T/Ha and Over	DISEASE RESISTANCE:	GOOD
DROUGHT TOLERANCE:	GOOD	HEIGHT:	MEDIUM
RECOMMENDED PLANT POPULATIONS :	(PLANTS / HECTARE)	DTF (Early Plant)	72 - 77
MARGINAL DRYLAND	NOT RECOMMENDED	DTF (Late Plant)	68 - 72
AVERAGE DRYLAND	30,000 – 45,000		
GOOD DRYLAND	40,000 – 75,000		
IRRIGATION	100,000 – 150,000
